

The world's #1 app for sleep, meditation and relaxation

EP Cares has a limited number of licenses that we are offering for free to people who are enrolled in a medical, dental, or vision plan through EP Cares.

To claim your EP Cares Calm subscription, scan the QR code or visit calm.com/b2b/ep/subscribe

This must be done on a web or mobile browser (not in the app itself).

Once on the page:

- Sign into your existing Calm account or create an account
- Enter the email address that EP Cares has on file to activate the subscription on your Calm account
- Download the Calm app and log in to your account to access the premium content
- Once you've signed up, you can add up to 5 dependents (age 16 years or older) via the "Manage Subscription" page inside your Calm account at calm.com.
